

TO FIND YOUR RING SIZE

- Take a ring that fits the intended figure on which the ring will be worn
- Print this document at 100%
- Place the ring over the circles
- Match the ring to the circle in size
- The letter in the circle is your size

Our rings are normally available in sizes I-Q for women and sizes R-Z for men. Smaller and larger sizes are often available but may need to be specially ordered and therefore take a little longer to deliver and incur an additional charge. Please contact our Customer Service team if you have a specific query.
